

CITY OF LODI

COUNCIL COMMUNICATION

AGENDA TITLE: Create Information Superhighway Task Force and Direct City Clerk to Post for Vacancy

MEETING DATE: October 5, 1994

PREPARED BY: City Clerk

RECOMMENDED ACTION: That Council, by motion action, create the Information Superhighway Task Force and direct the City Clerk to post for one vacancy.

BACKGROUND INFORMATION: At the meeting of June 15, 1994 Council Member Mann suggested that the City of Lodi create an ad hoc committee to address the issue of the information superhighway. Upon request of Mayor Sieglock and Mayor Pro Tempore Mann, this item appears on the agenda for Council concurrence to create a committee called the Information Superhighway Task Force. Further, this task force will have three members appointed by the City Council: one City Council designate; one City staff member; and one citizen appointee. Therefore, it is also being requested that the City Council direct the City Clerk to post for the one citizen appointment, allowing interested persons an opportunity to apply. The matter will come back on the October 19, 1994 City Council agenda for appointment to this task force.

FUNDING: None required.
